

# Photo-Orienteeing Trub

## Welcome to Trub

Explore the community of Trub on your own and answer the 10 questions. Discover and experience the history, present and the beauty of our village.

## To discover Trub

Enjoy the village Trub with a different point of view: Follow the pictures of the questionnaire and see a new perspective of Trub. The photos lead you through the village and help you to find the correct answer.

If you have problems to find the answer, you can have a look at the information area, visit the local government of Trub or ask the inhabitants, other tourists or employees of the catering business.

When you have finished, hand in the completed questionnaire by the local government of Trub, Gasthof Löwen or Landgasthof Sternen. For each correctly filled in questionnaire, you can select a small colourful backpack.

**We wish you a lot of pleasure by discovering the municipality of Trub.**

## ...take pleasure in searching, finding and answering
